

# Transnational Chambers

***The Collaboration between ICC WCF  
& Transnational Chambers is...***

**...representing one of the leading projects of ICC WCF.**

**WCF maintains close relationships with transnational chambers  
and similar regional associations**

# *Transnational Chamber is ...*

**... a group of chambers, representing chambers within a geographical region, economic grouping, cultural or language basis.**

## **ICC WCF - Transnational Chambers & Memorandums of Understanding**

*The Memorandum of understanding reinforces the closeness of relationships between two organisations, which results in mutually beneficial projects.*

### **Such agreements have been formed with:**

- **ASEAN Chamber of Commerce & Industry**
- **Association of Latin American Chambers of Commerce & Industry (ALCO)**
- **Confederation of Asia Pacific Chambers of Commerce and Industry (CACCI)**
- **Federation of Chambers of Commerce of Central America (FECAMCO)**
- **Junior Chamber International (JCI)**
- **SAARC Chamber of Commerce & Industry (SAARC)**
- **Union of Arab Chambers of Commerce and Industry**

# ICC WCF & Transnational Chambers of Commerce Board

The Board serves as a means for Transnational chambers:

- Created in 2002
- to learn more on the latest programmes and developments of their peers
- to develop partnership
- to foster networks between their institutions
- to explore common areas of interest and projects
